

Implementation Results

Oxnard Union High School District-Wide

7,300

WALKS COMPLETED

Over 7,300 walkthroughs were completed during the 2013-14 school year across 10 diverse urban high schools.

40%

DROP IN SUSPENSION

District-wide suspension rates dropped by 40% when administrators focused on student-teacher relationships.

0.9%

ADA INCREASE

Nearly \$1,000,000 in additional average daily attendance (ADA) funds brought to the district.

92%

Oxnard HS graduation rates have risen by 10% since implementing digiCOACH. 92% of students graduated in 2014-15!

78^{API} points

Oxnard H.S. SPED API increased by 78 points within two years of implementing digiCOACH.

Oxnard HS

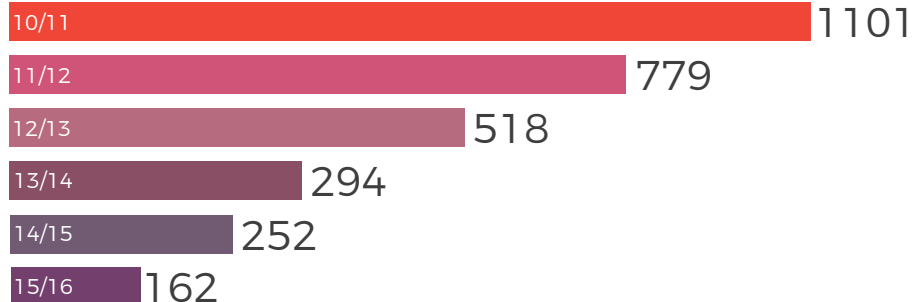

A focus on positive relationships helped cut the number of expulsions in half, from 21 down to 9!

Hueneme HS

87% Free and reduced lunch student population experienced a 3.9% ADA spike in one year

Oxnard High School Total Suspensions

Administrators attribute these school and district-wide improvements to the fact that they were in classrooms daily, being proactive and focusing on positive student-teacher relationships and increasing student engagement.
